Newsletter – April 2021

2021 4-H Fair Days

Before calling to schedule – please read through this carefully to be sure you can adhere to our guidelines.

<u>Fair Days</u>	<u>County</u>
Thursday, May 27 th	Genesee (& preview shows)
Wednesday, June 16 th	Genesee, Wyoming, Erie
Wednesday, July 14 th	Wyoming & Erie

<u>Pricing</u>
4-H Member Health Certificate \$60 (per species / per certificate)
Non-4-H Member Health Certificate \$75
Each BVD Test \$10
BVD Lab Accession Fee \$5 (per group of samples)
Each Additional Location \$15

THIS IS ONLY FOR 4-H KIDS!!!

You must reside or show in the counties listed above – if you are out of this area additional charges apply, call our office for more information.

- Prices valid ONLY on Fair Day, other days are subject to regular fees
- Animals that are not caught or ready, as well as paperwork not in order will be subject to regular fees
- Prices include vaccinations, health certificate (one species per HC), stop charge, and hourly rate, BVD testing is additional \$10/animal + accession fee.
- Papers **WILL NOT** be issued unless **FULL** payment is received at the time of service

- There are a limited number of slots that will be filled on a “first come first serve” basis.
- When scheduling, please **give a phone number where you can be reached on Fair Day and the address of where the animals are located.**
- **Animals MUST be TIED UP and identified and all paperwork in order.**
- **Someone that can handle the animals MUST be present.** Animals or paperwork not organized will be subject to regular fees.
- **We cannot stress this enough – DO NOT CALL OUR OFFICE on the actual fair day to see when we will be there;** we will call throughout the day with an estimate of our arrival time. If you are unable to be there available for the day please schedule on a different day or set up an appointment not on a Fair Day.
- **Please remember to be flexible as we are doing this to help the 4-H KIDS.**
- **NO ADDITIONAL WORK WILL BE DONE ON FAIR DAY – ONLY DIRECTLY PERTAINING TO WHAT IS NEEDED FOR FAIR PAPERS.**
- The certificate is valid for all additional fairs during the 2021 fair season in NYS.

Identification REQUIREMENTS FOR 2021 FAIR:

All cattle and pigs **MUST** have USDA approved official ear tags:

- **15 digit tags starting with ONLY 840 (ex. 840 123 456 789 012) – This is the preferred tag – YOU MUST GET YOUR OWN TAGS AND HAVE YOUR ANIMAL TAGGED WHEN WE COME.**

Sheep and goats are required to have a scrapie tag or official registration tattoo

- TATTOO MUST BE LEGIBLE AND MUST BE DONE PRIOR TO OUR ARRIVAL, NO INK STILL ON IT!
- There are new Scrapie tag forms available – e-mail atticavettech@yahoo.com for one or check with NYS Ag & Markets.

Please note if your tag (or even part of your tag) falls out or gets damaged you need to contact us ASAP!

IT'S THAT TIME OF YEAR – TIME TO START PLANNING OUT YOUR FLY CONTROL!

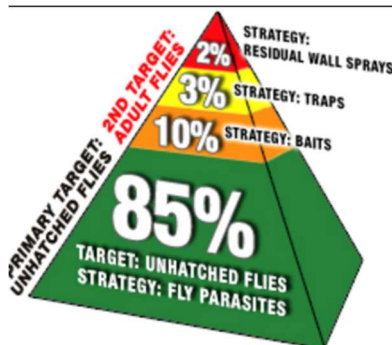

If you got manure we got the cure!!

Kunafin is a family owned and operated business since 1959 supplying parasitic wasps (a natural enemy to the fly) for all types of farming operations throughout the US and worldwide! We are happy to be working with Attica Veterinary Associates and Cattltek providing you the best tool for your fly management program! The Kunafin's are here in New York ready to help your particular situation when it comes to fly control! When it comes to our competitors and you compare Oranges to Oranges no one can touch us

on price. With each bag you get an Entomologist's expertise during the fly season to monitor your success and give you the best recommendations on latest and greatest products "Tools to the toolbox" to complete your Total Biological Integrated Fly Management Program!! We look forward to continuing our partnership with Attica Vet and being your fly guys!! We have helped numerous operations throughout the world with our program and look forward to helping you! Kunafin a safe product for your animals, workers and family. Looking to reduce the volume of chemicals sprayed? Frustrated by your current fly control methods? Kunafin is a parasitic wasp package that is sprinkled regularly near high larval volume areas.

Please contact Attica Vet for further details. You'll be glad you did!
