- Prices valid ONLY on Fair Day, other days are subject to regular fees
- Animals that are not caught or ready, as well as paperwork not in order will be subject to regular fees
- Prices include vaccinations, health certificate (one species per HC), stop charge, and hourly rate, BVD testing is additional \$10/animal + accession fee.
- Papers **WILL NOT** be issued unless **FULL** payment is received at the time of service
  
- There are a limited number of slots that will be filled on a “first come first serve” basis.
- When scheduling, please **give a phone number where you can be reached on Fair Day and the address of where the animals are located.**
- **Animals MUST be TIED UP and identified and all paperwork in order.**
- **Someone that can handle the animals MUST be present.** Animals or paperwork not organized will be subject to regular fees.
- **We cannot stress this enough – DO NOT CALL OUR OFFICE on the actual fair day to see when we will be there;** we will call throughout the day with an estimate of our arrival time. If you are unable to be there available for the day please schedule on a different day or set up an appointment not on a Fair Day.
- **Please remember to be flexible as we are doing this to help the 4-H KIDS.**
- **NO ADDITIONAL WORK WILL BE DONE ON FAIR DAY – ONLY DIRECTLY PERTAINING TO WHAT IS NEEDED FOR FAIR PAPERS.**
- The certificate is valid for all additional fairs during the 2021 fair season in NYS.

# **SELDEN STOKOE & SONS**

*Growing your tomorrow*

We here at Selden Stokoe & Sons pride ourselves in the daily care for the animals on the farm. We strive for quality custom care with the farms that we work with. At the facility we are able to care for 700 head from breeding age until 1 month from calving. The close-knit team works alongside Attica Veterinary Associates and Genex to grow quality heifers for you.

Selden Stokoe & Sons has two facilities. The main location houses a majority of the animals. The second location is less than a mile down the road. Each location has the ability to separate groups from breeding age to close up heifers.
